## Emergency Grants - Counts, Student, and Institution Funds

8) What percentage of students received emergency grants and how much did students receive in emergency grants by fund type and student type?

**Note:** Institutions must provide complete answers to each question.

a) Complete the following table:

When IPEDS definitions apply (categories labeled with "(IPEDS categories)" in the form), use the same category for each student that is used to report to IPEDS. For the second and third annual HEERF reports (reporting on calendar years 2021 and 2022 in early 2022 and early 2023 respectively), if a student is not reported to IPEDS, for example because they are not enrolled for credit in courses that could lead to an award, then report that student under "Students not categorized in IPEDS." In the fourth, and fifth annual HEERF reports "Students not categorized in IPEDS" will no longer be an option in the form and institutions will need to track all of their students (regardless of if they would be included in IPEDS enrollment counts) and categorize them using the IPEDS classification methodology

In reporting these data, students should be classified as Title IV eligible if they were determined to be Title IV eligible at any point during the reporting period.*
