# UNIVERSITY MACE

**B**loomsburg's mace made its first appearance at a commencement ceremony in August of 1963. The history of the ceremonial academic mace can be traced back to the fourteenth century when it developed as a composite of two ancient objects, the royal scepter and the battle mace.

Kings used the scepter as a symbol of their power and authority, while warriors wielded the mace as a weapon to prove their strength and superiority on the battlefield.

European universities combined these two symbols into an academic mace or ceremonial staff that demonstrated the authority and right of academic institutions to grant degrees to candidates who had earned that privilege. Colleges and

universities in the United States gradually adopted this tradition, and in early 1963, the Dean of Students at Bloomsburg State College, J. Alfred McCauslin, proposed the school adopt one as well. A design for the mace was submitted to Ensko & Co. of New York that March. Maces were traditionally topped with an ornament representing the institution's history, and in Bloomsburg's case the symbol chosen was the keystone, the symbol of Pennsylvania.

The academic maces is carried by the most senior faculty member in the ceremonial procession.

# UNIVERSITY MEDALLION

**T**he university medallion is worn by the president of the university during academic convocations as a symbol of the leadership responsibilities vested in that office.

The Commonwealth University medallion is depicted on the cover of the program. The chain the medallion is suspended from incorporates the names each campus was identified by and the dates those names were used.

At Bloomsburg, replicas of the Bloomsburg

University medallion have been given to individuals who have performed exemplary service to the university:

Marco Mitrani, Louise Mitrani, Richard Benefield, Helen and John Lanning, Eda Bessie Edwards, Daniel Bauman, James Magee, Ted Stuban, Anthony Lanzone, Walter F. Vorbleski, Robert "Doc" Warren, Jack Mertz, Barbara B. Hudock, and Terry and JoAnn Zeigler.

# THE ALUMNI ASSOCIATION

The Bloomsburg University Alumni Association congratulates today's graduates, the newest members of the association.

The Alumni Association was formed in 1871 by members of the classes of 1870 and 1871. These graduates wanted to remain connected to their alma mater and preserve and celebrate relationships with classmates, faculty, and staff. Thanks to their vision, 150 years later the association provides programs and services to nearly 76,000 alumni. Through events and programs, the alumni association fosters relationships that engage alumni in the university's strategic priorities and philanthropic goals.

While your time as a student at Bloomsburg University has concluded, never forget your alma mater and plan to come back to BU, virtually and in person, often. As the newest members of the BU Alumni Association, we invite you to become

actively engaged alumni and consider supporting future generations of Huskies.

Stay connected by visiting [www.bloomu.edu/alumni](http://www.bloomu.edu/alumni) to subscribe to receive communications from the association, through monthly alumni e-newsletters, invitations to alumni events and exclusive networking opportunities, and access to career and professional development resources through BU's online career management system, Handshake. The alumni webpage also provides information about regional alumni networks and volunteer opportunities to stay engaged with BU.

The alumni association, led by 15 volunteer members of the board of directors representing a wide range of class years, geographic locations, and interests, is here for you. Please reach out any time to share your ideas, provide input, or ask for support. You can visit the Alumni Association on the third floor of the Greenly Center, 50 East Main St. in downtown Bloomsburg or contact us at 1-800-526-0254 or [alum@bloomu.edu](mailto:alum@bloomu.edu).
