

Communication Studies Minor

Communication Studies is a minor that is designed to complement any major. Employers are looking for individuals who speak and write well and who can work effectively with others. This minor will help build those skills while allowing you to choose your area of focus.

This checklist is based on the 2023-24 Academic Catalog and is subject to change. Students should meet with their academic advisor each semester and use Degree Works to monitor their individual progress toward completion of the minor.

Students must meet with their minor advisor to identify an appropriate course sequence based on their interests and the course options offered. Prerequisites for 300/400-level courses may be waived at the discretion of the department chair in consultation with the minor advisor and course instructor.
