

Family Nurse Practitioner

Master of Science in Nursing (MSN)

This degree map is based on the 2024-2025 Academic Catalog and is subject to change. Students should meet with their academic advisor each semester and use Degree Works to monitor their individual progress toward degree completion. The time it takes to earn a degree will vary based on several factors including summer/winter enrollment, dual enrollment and number of courses successfully completed each semester.

- ___ NRS 529 Comprehensive Assessment of Older Adults (4)
- ___ NRS 517 Diagnosis & Management of Pregnant Women & Children (6)
- ___ NRS 541 Family Nurse Practitioner Practicum & Seminar (6)

Degree Requirements

This course map indicates full-time matriculation and a Fall semester start. However, the review of applications and acceptance into this program is in a rolling basis. A student can start in any semester and can choose a part-time option as well. An adviser will establish a course map for you if you decide to start in Spring/Summer semesters or decide to take a part-time option.

Students must complete all 50 credits and all course requirements for the selected major. Meet with your advisor and consult Degree Works to monitor your progress and for all graduation requirements.

A minimum GPA of 3.0 is required to maintain enrollment in the program.
