Mansfield Learning Center | Spring 2025

Ways to Schedule Tutoring Appointments

1. Email a tutor directly. Our peer educators are trained to facilitate their personal appointment scheduling.
2. Email Dr. Cummings directly at ccumming@commonwealthu.edu.
3. Follow the instructions on the last page of this document (p. 6).

Please note that Supplemental Instruction (SI) Leader sessions are now walk-in only and do not require advanced scheduling. SI Leaders are in direct communication with supported class rosters weekly regarding session locations and meeting times.

Raising the "I need a Tutor" Flag in CU Succeed & Multi-Campus, Remote Support

Students can raise the **"I Need a Tutor" Flag in CU Succeed** anytime they seek support for a course or assignment. All flags from students tagged with the home campus of Mansfield come directly to Chris Cummings, who then initiates outreach.

If we are unable to meet the request with Mansfield-based services as a first priority, **multi-campus, remote support** options will be explored, as appropriate.
