

Addiction and Connection to Treatment

Thursday, February 13, 2025 | 8:00am - 12:00pm

Mansfield University Public Safety Training Institute
65 Clinton Street, Mansfield PA 16933

Instructor: Bill Burdette

Training Objectives

- Understand addiction as a chronic disease and learn how stigma impacts the pursuit of treatment
- Become trauma-informed, and use that understanding in interactions with the community
- Identify engagement techniques to use during interventions that encourage connection to treatment

Course Overview

- Module I: Understanding Addiction
- Module II: Understanding Trauma
- Module III: Impact of Stigma
- Module IV: Prevention and Intervention
- Module V: Understanding Treatment
- Module VI: Practical Skills

This course is delivered at no-cost through a generous grant from the Pennsylvania Department of Health. Eligible participants may receive continuing education credits where applicable.
